APPLICATION FOR TEMPORARY FOOD PERMIT

Conditions for Temporary Food Permits:

1. All hire charges must Perishable food must be kept at 5 degrees or less than or greater than 60 degrees Celsius at all times

Food kept between 5°C and 60°C (the danger zone) will promote the rapid growth of bacteria in perishable food items, leading to food poisoning. These food items need to be kept refrigerated or in insulated boxes, such as eskies, covered with ice or ice bricks. Hot food will need to be kept hot (60°C or above) for the duration of the event.

A Thermometer must be kept at all times at the temporary food premises to monitor temperatures.

2. Food must be kept covered or protected from insects and dust at all times

Food must be kept in clean containers or protected in a manner that prevents contamination be insects, dust, and people sneezing or coughing.

3. Washing Facilities are to be provided

4. An adequate water supply to last for the duration of the event must be provided. The water must be a drinkable quality and stored in a clean container. In addition, hot water needs to be available for the washing of equipment.

No disposal of waste water onto the ground is permitted.

Disposal hand towels, soap and detergents must be available at the premises.

5. Food Premises to be enclosed adequately; food premises are to be enclosed adequately to protect the food preparation area from the elements.

6. All preparation areas and containers to be washable; all bench tops and containers are to be smooth, impervious and washable.

7. Personal Hygiene and Cleaning; all people involved with food preparation and sale must be clean and have clean clothing. Hands are to be washed regularly, hair to be covered and long hair tied back. All surfaces are to be kept clean.

Food to be handled with tongs or similar equipment; separate utensils are to be used to handle raw and cooked meats. Hands must be washed after handling raw meats.

Smoking is not permitted at or near food premises.

8. Rubbish to be removed hygienically and regularly to an approved disposal facility.

9. Electric cords to be tagged by licensed Electrician to be made safe (buried) or secured (high).

10. Any direction given by the Environmental Health Officer relating to Food Hygiene or Safety must be followed.
