

# Strategic Community Plan Consultation

**Date:** Tuesday 12 March 2019

**Time:** 6.00pm

**Venue:** Mingenew Recreation Centre

## **An Invitation to All Community Members:**

The Shire of Mingenew commenced preparation of a new Strategic Community Plan in late 2018. To assist with development of the final draft, a second public consultation will be held on 12 March 2019.

This public session, facilitated by Sue Middleton, will discuss and refine the draft document to ensure it is realistic, fit-for-purpose, and reflects the community feedback that has been received through the wider consultation process. This forum will be accompanied by a Community BBQ Sundowner.

The full draft document will be publicly released in late February. Until then, consultation documents, feedback forms, and further information are available from the Shire office or <https://mingenew.wa.gov.au/strategic-plan/>.
