

Justin Bagley

524 Yandanooka Melara Road Mingenew

I am a born and bred Mingenew resident having returned to the farm after finishing boarding school in 1995. Currently, I am a councillor in the Shire of Mingenew rural ward, deputy chairman of the North Midlands Football League and a committee and Life Member of the Mingenew Football Club. I have a clear and unbiased understanding of the issues facing our town and am proud to be a member of such a strong community. By being re-elected as a member of council I feel I will be able to continue to contribute in a productive way to ensure Mingenew remains the vibrant and progressive Town it is and that it continues to support my farming business, my family and especially my three children.

I have enjoyed my first two years in the role and look forward to the opportunity to continue serving as a Councillor of the Mingenew Shire.
