I have been part of this wonderful community for over 15 years, calling it 'home' for the last seven. I am a motivated and devoted community member and have held key voluntary positions with P&C, Expo, Tennis and St John Ambulance.

On relocating to regional WA in 2008 I forged a career in the agricultural industry. With a background in the arts, I found a natural fit for my skills with not-for-profit organisations. I have worked for some of WA's leading farmer-led organisations in management and consulting positions, most recently as executive manager of the state-wide organisation, Partners in Grain WA Inc. At the start of 2019 I stepped back from off-farm work to concentrate on my role in our family farm business.

I am passionate about Mingenew continuing to be a place where my two young children can have a prosperous and fulfilling future.
