

## We'll help you in Mingenew!

We are providing assistance to members of the community facing unprecedented challenges and increasing isolation due to COVID-19.

The 'We'll Help You in Mingenew' initiative aims to support our residents at high risk of being impacted by the threats of COVID-19, including seniors, people with a disability, and those with other risk factors. Through this initiative, we can support those who are impacted by COVID-19 as well as those doing their part to protect the community by self-isolating.

### Want to help?
