

SKATEPARK/PLAYGROUND UPGRADE COMMUNITY PREFERENCES SOUGHT

Thank you to all the community members who provided the shire with feedback and ideas for the proposed Skate Park/Playground. The response was great with a lot of similar ideas put forward.

Ahead of formal design work, the Shire has drafted a proposed layout for a connected youth precinct to include Cecil Newton Park, the current Skate Park and adjoining land on Shenton Street. It's not to scale, but will give an idea of the type of equipment we are considering and where it could be installed.

You will notice it has been proposed to close the current driveway behind Cecil Newton Park into the rear of the Bakery and provide alternate driveway down the bakery side of the Park. This will provide a safe and secure playing area for the children.

We are now asking for your feedback on preferences for the equipment for these areas. We have provided three choices for each area (you can find examples of the equipment reference in the accompanying document). We remain open to alternative suggestions as well. Based on these suggestions we will seek a formal design and plan of the precinct.

Please provide your feedback in the survey overleaf back to the Shire by 15 May 2020.

Small Children’s Sensory Play Area:

- Talking Tubes and Flowers
- Steppingstones and Rings
- G Pod & Star Rider
- Other suggestions

Explorer Playground:

- Flinders Ranges
- Tamar Valley
- Mount York
- Other Suggestions

Pump Track:

- Dirt
- Bitumen
- Timber
- Other Suggestions

Skate Park Modules:

- Transition Fun Box, Grind Rail, The Wave
 - Hump Ramp, Centre Rail, Transition Corner
 - Quarter Pipe, Spine Pipe, Jump Ramp Grind Box
- Other suggestions

This layout and suggestions have been compiled from the original feedback received and with the assistance of the Skate Park/Playground Committee.

If you have any further suggestions you would like to make, please feel free to do so.

Could you please return this feedback to the Shire Office or email to cdo@mingenew.wa.gov.au by 15th May 2020.

If you have any queries on this matter, please contact Margaret Rowe on 9928 1102 or 0436 689 258.
