Due Date: RFT closes 11:59pm, Sunday 22 August 2021

RFT- Supply and delivery of one (1) Motor Grader
Disposal of one (1) 2008 Caterpillar 12M Motor Grader

Tenders are invited for the supply and delivery of one (1) Motor Grader with a net engine power of 130 - 180kW and for the outright purchase of one (1) 2008 Caterpillar 12M Motor Grader with approximately 11,119 operational hours.

Proponents are encouraged to quote for;

1. The supply and delivery of a Motor Grader taking into consideration the trade value of a 2008 Caterpillar 12M Motor Grader, and/or
2. The supply and delivery of a Motor Grader on a no trade basis; and/or
3. The outright purchase of one 2008 Caterpillar 12M Motor Grader with approximately 11,119 operational hours.

Acceptance of tender for the **Supply and delivery of one (1) Motor Grader** will be contingent on:

1. The suitability to meet the Shire's requirements as per the specification list
2. Service and support
3. Price

Factors 1 & 2 will be weighted at 15% and 15% each, with the tendered price weighted at 70%.

The Shire reserves the right to reject any or all tenders submitted or any part, and the lowest bid will not necessarily be accepted.

Details, including a copy of this notice, can also be found at www.mingenew.wa.gov.au/tenders.

1. Price-weighted 100%

Motor Grader Disposal

- 2008 Caterpillar 12M Motor Grader – 11,119 hours at 28 July 2021
- Registration MI541
- VIN: CAT0012MTB9F00535
- Engine Number: C6E16158
- Condition: Good for age
- Spare wheel included
- Standard features

Photos are included in this document, however prospective tenderers are advised to inspect this vehicle for appraisal, by appointment. The trade vehicle will be required for use up to date of delivery of a new vehicle, at which time the current registration will be discontinued unless alternative arrangements are made.

The trade vehicle is to be collected from the Shire's Depot in Mingenew and changeover will only take place once the Shire has:

- taken possession of a replacement vehicle; and
- received funds into its nominated bank account.

RFT CLOSING 11:59PM, SUNDAY 22 AUGUST 2021

SHIRE OF MINGENEW - REGIONAL PRICE PREFERENCE POLICY

Objective:

- To ensure Shire of Mingenew residents and all relevant stakeholders are provided a fair and meaningful opportunity to participate and contribute to problem solving, planning and decisions made by the Council and its staff.
- To provide effective stakeholder engagement for productive relationships, improved dialogue and deliberation, and ultimately, better democracy.

Policy:

In order to promote sub-regional development, the Shire of Mingenew will provide a price preference to regional suppliers (located within the stipulated areas) when evaluating and awarding contracts with Council via the Tendering Process.

Any price preference provided will comply with part 4A of the Local Government (Functions and General) Regulations 1995 as amended.

Price preference will be given to all suppliers submitting conforming tenders for the supply of goods and services (including Construction (building) Services) to the Shire of Mingenew, unless Council resolves that this policy does not apply to a particular tender.

The following price preference will be given to suppliers submitting tenders assessed in relation to this policy:

Goods and Services – up to a maximum price reduction of \$50,000 unless a lower amount is stipulated in the tender document.

Stipulated Area-

1. 10% to all suppliers located within the Shire of Mingenew
2. 5% to all suppliers located within the Shires of Coorow, Carnamah, Perenjori, Three Springs, Morawa and Irwin
3. 2.5% to all suppliers located within the Midwest Region

Construction (building) Services – up to a maximum price reduction of \$50,000 unless a lower amount is stipulated in the tender document.

Stipulated Area-

1. 5% to all suppliers located within the Shire of Mingenew
2. 2.5% to all suppliers located within the Shires of Coorow, Carnamah, Perenjori, Three Springs, Morawa and Irwin.
3. 1% to all suppliers located within the Midwest Region

Goods and Services, including Construction (building) Services tendered for the first time where Council previously supplied the Goods or Services – up to a maximum price reduction of \$500,000 unless a lower amount is stipulated in the tender document.

Stipulated Area-

1. 10% to all suppliers located within the Shire of Mingenew
2. 5% to all suppliers located within the Shires of Coorow, Carnamah, Perenjori, Three Springs, Morawa and Irwin
3. 2.5% to all suppliers located within the Midwest Region

The Midwest Region incorporates the following 17 local governments: Carnamah, Chapman Valley, Coorow, Cue, Greater Geraldton, Irwin, Meekatharra, Mingenew, Morawa, Mount Magnet, Murchison, Northampton, Perenjori, Sandstone, Three Springs, Wiluna and Yalgoo.

Regional Price Preference will only be given to suppliers located within the stipulated areas for more than six months prior to the advertising date of the tender.

Located within the stipulated areas is defined as having a physical presence in the way of a shop, depot, outlet, headquarters or other premises where the goods or services specifically being provided are supplied from. This does not exclude suppliers whose registered business is located outside the stipulated area but undertake the business from premises within the stipulated area. An example is a franchisee of a multinational company.

Only those goods and services identified in the tender as being from a source located within the stipulated area will have the price preference applied when assessing the tender.

Price is only one factor that Council considers when evaluating a tender. There is nothing contained within this policy that compels Council to accept the lowest tender or any tender based on price offered.
