Table 6.1 Shire of Mingenew Functions

6.1 Providing and Maintaining Infrastructure

Providing an appropriate and affordable level of infrastructure is one important contribution a council makes to its community. The Mingenew Shire Council provides and maintains local roads, bridges, public car parks, footpaths, sporting fields, parks, buildings, residential properties and public gardens. Council consults via surveys and community feedback about the provision and maintenance of these public assets.

6.2 Planning for Sustainable Development

The Strategic Community Plan, Corporate Business Plan, Asset Management Plan, Workforce Plan and Long Term Financial Plan are all developed and implemented by the Shire of Mingenew in consultation with its community to ensure sustainable economical and community development. The community is encouraged to engage in the development process of these plans to ensure that they are appropriate and reflective of the community's needs and desires.

6.3 Protecting the Environment

Mingenew Shire Council has a role in helping to protect the environment. The Shire regularly assesses the state of the local environment, provides environmental programs and is able to use regulatory powers to prevent pollution or restore degraded environments. Services provided include waste management, street cleaning, controlling of domestic animals, controlling of noxious weeds, regulating pollution, building control and public health programs in accordance with relevant legislation.

6.4 Supporting Community Development

Council regularly consults with and assesses the needs of the community with a view of supporting community development. At present Council provides a range of services including the library which is run in partnership with the State Library of Western Australia, aged persons units, playground facilities, and the engagement of a Community Development Officer who provides assistance to community groups with grants submissions, organises public well-being and engagement campaigns and develops programs for community use.

6.5 Safeguarding Public Health

Council helps maintain high standards of public health and aims to reduce the risk of exposure to a wide range of diseases through activities such as waste disposal, pest and vermin control, hazardous material containment and the setting of local laws.

The Shire of Mingenew shares or outsources the following services:

- Environment Health
- Ranger Services
- Bushfire Risk Management
- Building
- Planning
- Information Technology
- Waste Collection and Transfer Station Management

7. Public Engagement and Decision-Making Processes

One of the challenges for all levels of government is how to ensure that different and often competing interests within its district are recognised, addressed and responded to. This is particularly relevant for local government, being the 'frontline' government service for the community. The Elected Members of the Shire of Mingenew aim to gain a broad understanding of its community's attitudes, beliefs and ideas through various avenues of community engagement to ensure that all viewpoints are recognised. Currently, the Shire of Mingenew achieves this through targeted community group meetings, committee appointments, through the public consultation process associated with strategic planning and through public question time at council meetings.

Members of the community are encouraged to utilize these avenues for putting forward ideas, requests,

Shire of Mingenew Freedom of Information Statement

deputations, petitions and complaints to inform Councillors of the community's interests and concerns. Community members can also contact the Elected Members direct (contact details listed in section 5) or also contact the CEO to discuss issues prior to submitting to Council.

Ordinary meetings of Council are generally held on the third Wednesday of every month (except the month of January when Council is in recess) and commence at 4.30pm with public question time (of up to 15 minutes) being held at the beginning of the meeting. If you wish to present or submit correspondence to Council, please contact the Shire of Mingenew Administration on 9928 1102 to attain a public question time form. Questions can be taken on the day, however Council may be limited in its response without prior time to consider the matter.

On the Shire of Mingenew website mingenew.wa.gov.au is a list of current committees and community groups within the district. Contact numbers are included for members of the community who wish to join and be a part of local decision-making processes.

Community members are also invited to attend the annual general meeting of electors to discuss any specific issues. All residents may attend but only electors on the Council Electoral Roll are eligible to vote. Electorates are requested to submit questions in advance of the meeting to allow any questions where research is required to be answered on the night.

Community engagement is but one facet used by Council to inform their decision-making. CEO and third party recommendations, financial considerations, legislative requirements and powers and so on are all considered by Council during council meetings to ensure measured and calculated outcomes and natural justice. Council decisions are made by the votes of the majority of councillors present at a meeting, with the requirements for council meetings being set out in the *Local Government Act 1995* and in the *Shire of Mingenew Standing Orders Local Law 2017*. Neither the President nor individual Councillors have the legal authority to act or make decisions on behalf of the Council.

The Shire of Mingenew Council also delegates many lower-level and operational decisions to the CEO. The Chief Executive Officer sub-delegates some duties on to an appropriate employee (where legislation provides). Such delegations are documented within the delegations register and are usually subject to the policies, procedures and conditions.

Notification of decision making by the Shire of Mingenew is conveyed to its community through the:

- publication of community notices in the local newsletter 'Mingenew Matters';
- displayed on the Mingenew local government website www.mingenew.wa.gov.au;
- Shire's official social media page: <https://www.facebook.com/ShireofMingenew/>;
- displayed on the Shire of Mingenew noticeboard found in the administration building foyer; and
- advertised in the West Australian, Geraldton Guardian or Midwest Times newspapers.

Copies of the Council Agenda and Council Minutes can also be obtained via the aforementioned website.

Further information can be gained by contacting the Shire of Mingenew Administration Office. Often a fee is associated with the copying and release of certain documents (see section 8 for further information on what documentation is accessible).
